FEED A CHILD FOR A MONTH

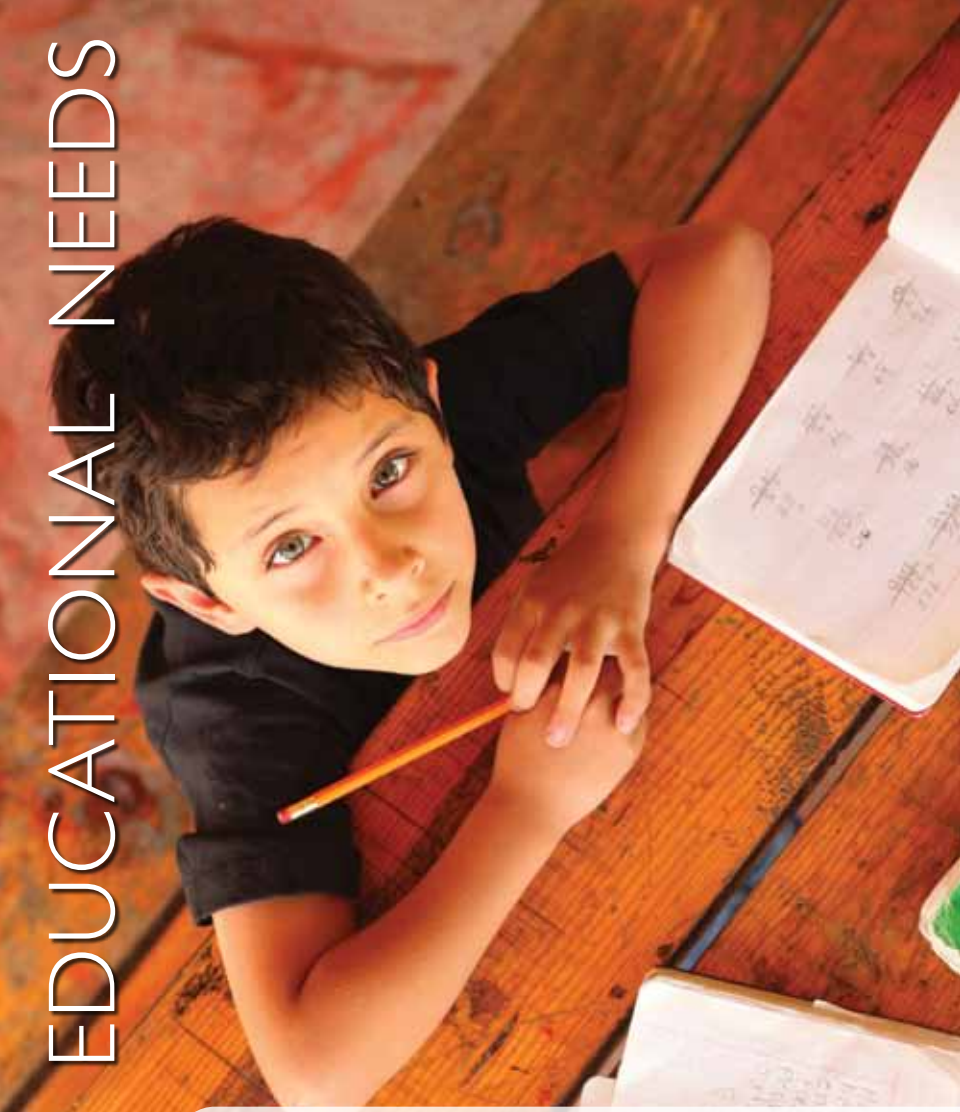

$89

Most of the children's homes that we serve lack the funds to purchase meat, fruits and vegetables. As a result, the children's diets lack essential vitamins and nutrients that are found in meat and produce. Your gift will provide a child with balanced and nutritious meals for a month, supporting their growth, health, and development. (#GC1)

EDUCATIONAL NEEDS

Back2Back strives to help meet the academic needs of each child out of a deep belief that education is paramount. Without it, orphan children often end up in black market trades, such as drug-trafficking and prostitution. However, when children have access to education, they are significantly more likely to become self-sustaining individuals who give back to their community. To see this goal realized, we provide each child with the tools they need to succeed, assisting with fees for schooling, tuition, uniforms and supplies, tutoring children who are struggling academically, and even offering full college scholarships to children who participate in Back-2Back's Hope Education Program. Through an emphasis on education, we invest in the future of each child, enabling them to reach their academic goals so that they might ultimately break free from the cycle of poverty.

HOPE EDUCATION PROGRAM

Back2Back attacks the underlying issue of poverty by providing children with an education and investing in their future. Through the Hope Education Program, we offer students a way to continue their education when free public schooling ends. The students stay with Back2Back staff families, experiencing a healthy family environment. Students are mentored, provided with an education, and encouraged to pursue their dreams. You can invest in the future of a child, enabling them to reach their academic goals by giving to the Hope Education Program. Your gift of a scholarship, new clothing, a family night or an extra-curricular activity will help us to continue to meet the needs of each child in the Hope Education Program.

MEDICAL NEEDS

The children's homes we serve do not have the funding to provide the children with basic medical care, such as routine check-ups and dental care. By providing practical assistance and resources to meet medical needs, we ensure each child has an opportunity to truly thrive. Your gift of counseling services will give a child an opportunity to seek healing and be restored to emotional wholeness. Your donation toward medical or dental care will provide a child with teeth cleaning, vital antibiotics, or emergency medical care.

CHILD SPONSORSHIP

Back2Back's Shelter Child Sponsorship Program, provides individuals with an opportunity to come alongside us in supporting one of the children that we care for. You can make a lasting difference in the life of a child.

To us, providing shelter goes beyond simply meeting the physical needs of a child. It means helping each child understand the love, care and protection of their heavenly Father. Sponsors assist us in accomplishing that, by contributing toward the expense of providing food, housing, clothing, health care and educational opportunities, as well as spiritual training and personal development. Sponsors have the opportunity to build a meaningful relationship with their child through letters, quarterly updates, and even visits to their children's home, should they choose to take part in a future Back2Back mission trip. The monthly sponsorship of $100 covers the full cost for the children's home to meet the needs of one child for a month. For more information, contact Claire Rogers at Back2Back's US Office at claire@back2backministries.org.
